Dear Regional Members,

Regional Review and greater Member participation

We are pleased the financial support provided by the Company is being maintained. However, as its increasingly costly to contact members, we continually look for more efficient ways to provide news and information for you.

Your Region's representatives some time ago reviewed our needs and our future direction. Many recommendations to assist in reaching our wider membership have since been implemented both locally and nationally.

We still face some problems with the loss of Branch support/ links and in reaching our newer members. A wider range of activities and greater cooperation between Areas was a recommendation. Many members are still working and travelling at 'Peak times' are also considerations. Some shared events e.g. over weekends have already successfully taken place. Please can you help make our Region's Events more widely known.

Our Area Chairmen agreed to assist and Newsletters and Event details will appear on the above website. For London members, many worked together but now live in different Areas and shared events provide opportunities for reunions. If you wish to attend events, perhaps with a guest, please contact the relevant Organiser/ Chairman. A Regional Events Diary, including Area contacts, has been added to the National website to assist.

Please also visit our two Area websites which provide a wide range of supplementary information:-

Maidstone: <http://www.invictamaid.org> Site provides a wealth of general information/ interests/ useful website links, contacts including technical computer help & advice etc.

Croydon: <http://avivafellowshipcroydon.org.uk> Site also provides full details and applications for current events, contacts, Associated activities, past Newsletters, Photographs, tax information etc.

We hope to meet you at one of our Events.

Chris House (Chairman) & Richard Haynes (Deputy Chair)
